The year is flying past as we head into winter and more interesting riding weather. May is also the time to consider a contribution to the club by nominating for the committee as nominations close on the 15th May. Involvement in this group is enjoyable and rewarding to see the rides and social events being appreciated by all members. So consider involvement as it essential to have an active committee with new people and ideas.

Another successful AGM has been enjoyed by nearly 4,000 but unfortunately a couple from Armadale were sadly involved in a devastating crash where they both sustained fatal injuries on the way. A reminder to us all, to be ever alert when out riding. The 2013 AGM is on the Fraser Coast at Maryborough and in 2014 the location is Alice Springs with Fremantle Branch members being on the organising committee.

The bowling night at Melville was great fun. Warnbro retained the trophy and they must have been confident as they didn't bring the trophy along and we missed the inspiration it may have provided. It was closer than ever before so the practices must have done wonders, especially for Michael who had 4 strikes in a row and was our best bowler.

The Easter casserole night was an intimate night with some great casseroles arriving at our place including Mick K's Rendang curry.

Looking forward to seeing you all at upcoming events including casserole night at the Collins's, Bocce at the Zaretsky's and of course the rides.

Yahoo a Wave Rock Weekender Again!!

When? 2nd to 4th June 2012

What's been planned?

We will spend 2 nights relaxing and having a good chin

wag with our mates beside a bonfire after having our fill of a BBQ dinner. Imagine waking up on the Sunday & Monday morning to the smell of bacon and eggs cooking. Mmm yum. On the Sunday morning we'll go for a ride then come back and have a good belly laugh watching everybody try their hand at a triathlon and maybe even a tyre rolling game.

Where are we headed?

We are headed to Wave Rock Lakeside Resort Hyden which is situated 1km north of Wave Rock. The resort is beside lake magic which is a naturally occurring salt & Gypsum Lake. The water is clean & clear (if there is any) with beach sand around the perimeter.

How much for a bed and a feed?

The 2 nights of enjoyment will cost \$125.00 per head. A \$50 deposit is required at the time of booking with the balance to be paid by the 21st May 2012.

What do ya get?

You will be provided 2 nights' accommodation in a 2 bedroom cottage with Towels, Sheets, blankets, 2 breakfasts and 2 evening meals.

What do I need to bring?

You will need to bring your clothes for 2 days, toiletries, any special food requirements, drinks and Nibbles.

How do I Sign up?

See Tony Barton or Pippa Leahy and hand over your \$50 per person deposit.
If you have any questions contact Pippa on 0418 940 766.

THE GREEN TEAM

The Green Team held their official inaugural bike ride on Anzac Day. The Team set off at a fast pace from Maylands Golf Club. In the lead was Mr Z with a mud map that evidently did not show a couple of dead ends, but we cycled on regardless. Mr Gibb was the stunt rider for the Team jumping all speed humps in a 10Km radius on his new mountain bike. Andy is currently in training for the Gibb River Road Mountain Bike Challenge and looking for sponsors. His display and prowess in the saddle were only slightly diminished when he fell at my feet whilst attempting a rather nasty curb jump, damn kerb! Luckily I was tail end Charlie otherwise I would have missed such displays of chest beating, wild crowing and laughter, which no doubt ended with some bacon (apparently in biking slang that means scabs).....you have to admit bacon sounds nicer! The Green Team has decided to meet once a month on a Saturday morning and continue their adventures. Feel free to join us. Next ride is on 26 May 2012 (see ride calendar for location).

Stay tuned for further reports on our adventures. Megs aka Eileen

“THE BOOGER”

Hi there. Please let me introduce myself. My name is Godfredo Noseverde (God-free-doh No-say-verde). My parent's friends simply refer to me as GN but my friends all call me by my nickname, God-Nose. I am Stick E's nephew. My mum is StickE's sister twice removed and once separated.

Uncle told me of this opportunity due to his early retirement and not being one to pry, I thought, here is a great chance for me to prove myself to Uncle Stick E. I have never held down such a respected job before so I am quite excited.

Growing up in the motorcycle way of my home, I was in plenty of trouble all the time. I took the blame for plenty of things, that I didn't have anything to do with. Someone would ask who did that, and before I could open my mouth, someone would accuse me. That was odd because they also saw me as the font of all information. Someone would ask something obscure like “how do we do that or this?”. Suddenly someone else would say that I knew. But I didn't. That never stopped them saying that I did. I still get phone calls in the middle of the night, although nowadays they are a bit cheaper with that skype thingie. Uncle Stick E was right. “Wisdom is attained by learning when to hold one's tongue”. Herman Kawasaki, Stick E's great great grandfather added a touch to that family piece of wisdom, noting also that the tongue should not be spared a good story. So I, Godfredo Noseverde, am going to become a writer. Now a writer with The Wheezy Rider. Oooh, I must get cards printed. Mum, will be very proud. I look forward to writing my first editorial.

It is AGM time and your club needs you. Wow inspirational words just come flooding out as a writer. Your Club needs you. How powerful is that? Enough said. Just do it.

Some great events coming up – remember that the Boche challenge is back on. Mr and Mrs Zaretsky have promised that the game profile will be cut short to induce a bit more socialising and there will be the normal winter fire happening so dress warmly. See you all along the road.
