Hi members

20th Anniversary Celebration

The big news for our Branch is that the 20th Anniversary Dinner is back on. The date is the 26th September at the Spearwood Sports and Dalmatinac Club, 2 Azelia Rd. Spearwood.

We will meet at 7:00 pm and the three-course meal will start at 7:30 pm. There will be a display of photos covering the last 20 years as well as a DJ and Karaoke for entertainment. You will also be presented with an engraved wine glass. Cost will be \$50 per head and registration will be via the Website which will open shortly. Payments to be made direct to our Bank Account stating your name as the reference.

Rides

There have been some good rides recently and the weather has been reasonably kind. It only started to rain as I was about 4km from home on Sunday 2nd August.

September is shaping up as a very busy month for us with the Memorial ride on the 13th September. The meeting point is to be confirmed but I would assume that we will meet as usual at the Parking area across the road from Caltex Star Mart around 10:00 am to depart for Lake Leschenaultia at 10:30. The delay here is in sorting out Covid regulations. Then our 20th Anniversary on the 26th with an excursion on Sunday 27th to Serpentine Aircraft Builders Club. There is a late start for this – 10:30am at BP Service Station just before the Safety Bay Rd turnoff, sufficient to get over our celebration and a great way to blow off the previous night's cobwebs. As usual, more ride leaders are required.

Breakfast Club

This will be on Saturday 29th August at the Serpentine Café. Meet there after 9:30am as the cafe opens at 10:00 am

2020 Odyssey

This year's Odyssey is at Cowaramup 24 – 26 October. There may still be accommodation at the Taunton Farm Holiday Park. The details and registration form are now available on the West Oz Ulysses Facebook page. If you are not subscribed to this Facebook Group, I can copy and email out the details. Evening meals will be a "cook your own" and you will need to provide your own drinks.

Wongan Hills

This is on the weekend after the Odyssey, 30th October to 1 November. Further details will be provided shortly.

Stay safe

2021 BMW Boxer And Inline-Four Model Info

BMW announces details on R 1250 and S 1000 models.

By Bruno dePrato August 3, 2020

Changes to the 2021 BMW R 1250 RS include a Sport silencer and Euro 5 compliance. BMW

Cycle World already revealed the new 2021 editions of the [BMW F 750 GS](#), [F 850 GS](#), and [F 850 GS Adventure](#), and now [BMW](#) has released the long list of all other models renewed for next year. Most of the innovations are in regard to new colours, new graphics, and new accessories replacing the previous ones.

The 2021 BMW R 1250 R's boxer twin is now Euro 5 compliant with a new Sport muffler. BMW

The revised power units now are fitted with new Sport silencers. The new options list includes a lightweight lithium-ion battery, and the revised Driving Modes Pro now includes engine reverse torque control.

Also the high-performance S 1000 four evolved to Euro 5 standards, but only in the edition that equips the [S 1000 RR superbike](#), while the [S 1000 XR](#) still complies with Euro 4 standards.

Euro 5 emissions standards for the BMW S 1000 RR superbike are the only changes for the 2021 model year. BMW

The list of the options available on the S 1000 RR includes a number of items worth attention: an M titanium exhaust system, sport silencers, M endurance chain, GPS-actuated lap timer, and lap counter. The S 1000 XR offers two attractive options: the same M endurance chain and titanium sport silencers.

SOME LIGHT HUMOUR

The Golden Saloon

A guy comes home completely drunk one night, he lurches through the door and is met by his scowling wife, who is most definitely not happy.

‘Where the hell have you been all night?’ she demands.

‘At this fantastic new bar,’ he says. ‘The Golden Saloon, everything there is golden.’

It’s got huge golden doors, a golden floor, the works – hell, even the urinal’s gold!’

The wife still doesn’t believe his story, and the next day checks the phone book, finding a place across town called the Golden Saloon.

She calls up the place to check her husband’s story.

‘Is this the Golden Saloon?’ she asks when the bartender answers the phone.

‘Yes it is,’ bartender answers.

‘Do you have huge golden doors?’

‘Sure do.’ ‘Do you have golden floors?’

‘Most certainly do.’

‘What about golden urinals?’

There’s a long pause, then the woman hears the bartender yelling, ‘Hey, Duke, I think I got a lead on the guy that pissed in your saxophone last night!’

**Children Writing About the Ocean. The next time you take an oceanography course,
You will be totally prepared.**

- 1) - This is a picture of an octopus. It has eight testicles. (Kelly, age 6)
- 2) - Oysters' balls are called pearls. (Jerry, age 6)
- 3) - If you are surrounded by ocean, you are an island. If you don't have ocean all round you, you are incontinent. (Mike, age 7)
- 4) - Sharks are ugly and mean, and have big teeth, just like Emily Richardson. She's not my friend any more. (Kylie, age 6)
- 5) - A dolphin breaths through an asshole on the top of its head. (Billy, age 8)
- 6) - My uncle goes out in his boat with 2 other men and a woman and pots and comes back with crabs. (Millie, age 6)
- 7) - When ships had sails, they used to use the trade winds to cross the ocean. Sometimes when the wind didn't blow the sailors would whistle to make the wind come. My brother said they would have been better off eating beans. (William, age 7)
- 8) - Mermaids live in the ocean. I like mermaids. They are beautiful and I like their shiny tails, but how on earth do mermaids get pregnant? Like, really? (Helen, age 6)
- 9) - I'm not going to write about the ocean. My baby brother is always crying, my Dad keeps yelling at my Mom, and my big sister has just got pregnant, so I can't think what to write. (Amy, age 6)
- 10) - Some fish are dangerous. Jellyfish can sting. Electric eels can give you a shock. They have to live in caves under the sea where I think they have to plug themselves in to chargers. (Christopher, age 7)
- 11) - When you go swimming in the ocean, it is very cold, and it makes my willy small. (Kevin, age 6)
- 12) - Divers have to be safe when they go under the water. Divers can't go down alone, so they have to go down on each other. (Becky, age 8)
- 13) - On vacation my Mom went water skiing. She fell off when she was going very fast. She says she won't do it again because water fired right up her big fat ass. (Julie, age 7)
- 14) - The ocean is made up of water and fish. Why the fish don't drown I don't know. (Bobby, age 6)
- 15) - My dad was a sailor on the ocean. He knows all about the ocean. What He doesn't know is why he quit being a sailor and married my mom. (James, age 7)

If you didn't smile at one of these, you need to find a better sense of humour.

A SHORT... BUT BEAUTIFUL LOVE STORY

A man and a woman who had never met before, but who were both married to other people, found themselves assigned to the same sleeping room on a transcontinental train.

Though initially embarrassed and uneasy over sharing a room, they were both very tired and fell asleep quickly, he in the upper berth and she in the lower.

At 1:00 AM, the man leaned down and gently woke the woman saying,.....'Ma'am, I'm sorry to bother you, but would you be willing to reach into the closet to get me a second blanket? I'm awfully cold'

'I have a better idea,' she replied.... 'Just for tonight.....let's pretend that we're married'

'Wow!.....That's a great idea!' he exclaimed.....

'Good,' she replied.....'Get your own bloody blanket.'

Be aware she can move in any direction
