Hi All,

Gosh – a few fine days this month. Bliss! Some nice rides through the hills where the vivid yellow of Canola and Wattle has just about burnt out the back of the retinas. Love it!

Remember to check the calendar to see where we are going and if there is a change in starting point. With a few event week-ends coming up we need to be sure where to be. Plus of course if the weather turns nasty again there will be a café catch up location instead of a ride. We do try to predict the rain as best we can...

A good night out was had at the Indian Mirchi restaurant in Spearwood last month where we shared some dishes and challenged some heat tolerances. No one melted and we agreed that the food was delicious. Love not having to cook AND enjoy excellent company as well!

Dave Wright is looking at developing a Ulysses Club WA Rider Safety Group. A great initiative for raising issues of concern with relevant Government agencies. Also a good way for our various branches to work together for the good of us all.

A few people with up and down health this month so our thoughts are with them to be on the mend. Good to see that Tony B is back working hard in rehab at FSH. Give him a call and pick a good time to go in. The days in hospital can become very long indeed. Hoping to see some discharge planning come to fruition soon.

If you or a member you know is going through a rough patch, please do not hesitate to let our Welfare Officer know if we can offer any support, or just someone to have a friendly chat with.

Upcoming events

Your committee is looking hard at planning events over the next few months including:

November 27 – Christmas party.

BOOK AHEAD for the June rally next year at Kalbarri Red Bluff Tourist Park. First weekend in June – cabins gone already.

Rides

As usual, we need ride leaders.

There is plenty of support for new Ride Leaders with lots of (good) suggestions on where to go and how to get there. Let's ride!!

Cheers

Novel Septic Tank Drainers

The Following is an excerpt from www.yesterdays.nl

BSA 1932 L32-4 349cc 1 cyl sv 3107

BSA 1932 L32-4 349cc side valve single combination

The BSA motorcycle range for 1932 comprised no less than 12 models ranging from the little 249 cc ohv B 32-1 till the mighty 986 cc G 32-10 V-twin.

Next to the sporty OHV Sloper and Blue Star models there were two 349 cc side valve machines, the L32-2 and the L32-4.

Both had bore x stroke dimensions of 72×85.5mm

The latter was a De Luxe version and was three pounds more expensive than its brother.

For that extra money the customer got a four speed instead of a three speed gearbox, a chromium tank with green panels and a tank top mounted pressure gauge.

According to the catalogue the L32-4 was suitable for light sidecar work and the former owner confirmed that the engine power in combination with the four speed gearbox is certainly sufficient for "calm touring".

This older restoration is in good overall shape and comes with Lucas electrical lighting system and horn.

SOME LIGHT HUMOUR

In a New York sidewalk, an Indian is enjoying a hearty breakfast of coffee, croissants, toast, butter, jam, etc. while an American, chewing a gum, sat next to him and started an unwanted conversation.

American: You Indians eat the whole bread?

Indian: Of course!

American: (Blowing bubbles with his gum) we don't. We, Americans only eat what's inside. The crust we collect in a container, recycle, make these into croissants and sell these to India.

American: Do you eat jam with bread?

Indian: Of course!

American: We don't. We eat fruits at breakfast, put all the peels, seeds and leftovers into containers, turn these into jam and sell it to India.

Indian: Do you have sex in America?

American: Of course, we do!

Indian: What do you do with the condoms?

American: We throw them, of course!

Indian: We don't. In India, we put them into containers, recycle them, turn them into chewing gums and sell it to America!

Garage Door

The boss walked into the office one morning not knowing his zipper was down and his fly area wide open.

His assistant walked up to him and said,
'This morning when you left your house, did you close your garage door?'
The boss told her he knew he'd closed the garage door, and walked into his office puzzled by the question.

As he finished his paperwork, he suddenly noticed his fly was open, and zipped it up. He then understood his assistant's question about his 'garage door'

He headed out for a cup of coffee and paused by her desk to ask, 'When my garage door was open, did you see my Jaguar parked in there?'

She smiled and said, 'No, I didn't. All I saw was an old minivan with two flat tyres..

Happy fluctuating!!!!

Today's word is.....**Fluctuations**

(I will never hear or see this word again without thinking of this joke.)

I was at my bank today; there was a short line. There was just one lady in front of me, an Asian lady who was trying to exchange yen for dollars. It was obvious she was a little irritated . . .

She asked the teller, "Why it change? Yesterday, I get two hunat dolla for yen. Today I only get hunat eighty? Why it change?"

The teller shrugged his shoulders and said, "Fluctuations."

The Asian lady says, "Fluc you white people too."

Johnny's teacher is giving a lesson on Nutrition, and she decides to ask her students what they had for Breakfast.

To add a Spelling Component, she asks the students to also spell their answers.

Susan puts up her hand and says she had an Egg, 'E-G-G'

'Very good', says the teacher.

Peter says he had Toast, 'T-O-A-S-T?

'Excellent.'

Johnny has his hand up and the teacher reluctantly calls on him:

'I had Bugger All', he says, ' B-U-G-G-E-R-A-L-L'

The teacher is mortified and scolds Johnny for his rude answer later when the lesson turns to Geography, she asks the students some rudimentary questions.

Susan correctly identifies the Capital of Canada. Peter is able to tell her which ocean is off Canada's East Coast.

When it's Johnny's turn, the teacher remembers his rude answer from the nutrition lesson, and decides to give him a very difficult question:

Johnny, she asks, 'Where is the Pakistani Border?'

Johnny ponders the question and finally says, "The Pakistani border is in bed with my mother.

That's why I got Bugger All for breakfast
